for more details

These workshops aim to give you  
the opportunity to experiment with  
various art tools and media.

We will also look at the work of  
other artists.

Altogether we trust that our  
confidence, skills and knowledge will  
be built up in a friendly atmosphere.  
It doesn't matter whether you are a  
complete beginner, have a little or  
loads of experience, everyone is  
warmly welcome - just roll up  
whenever you are able!

During the tea break we read a  
chapter of the Bible - it has  
brought up some very interesting  
issues!

We suggest a donation each time of  
£2 to help towards the running of  
the group.

All materials are usually provided.
